- Site 11. “In the Beginning...”
- Site 12. Fire!
- Site 13. Laddie Gale Tall Fir

This trail is dedicated to Frances Shrader, a long time employee of the Forest Service. Frances possessed a heartfelt understanding of the Forest Service mission—caring for the land and serving people—and was instrumental in developing plans for this trail. It is in her honor and with fond memories that we dedicate this trail to Frances, in the hope that her zest for life and her love of the outdoors and the Forest Service mission will live on.
